

Pre-Primary (ages 2-3) and Primary dancers (ages 4-5) will receive 30 minute classes. For many, it is their first experience with dance. The goal is for these young ones to have fun while learning a new skill. The class sizes are small – up to a maximum of 8 per class so that the students can receive more individual attention.

Recreational dancers receive 45 minute classes. There are Beginner and Advanced classes available. If a dancer decides to take more than one class, each successive class is at a lower price. Please be sure to register EARLY to avoid disappointment as classes do fill up.
